

Communication Thoughts

Powerful Choleric - "Just the facts and the solution, I need resolution so let's cut to the chase."

Popular Sanguine - "I just want to make sure you understand so I'm going to over explain it."

Peaceful Phlegmatic- "If you don't mention it, I won't mention it, I just want to keep the peace"

Perfect Melancholy - "I'll just keep my thoughts to myself because you won't understand anyway. But FYI, I do have something on my mind I just need time to pull my thoughts together without you telling me what I'm thinking."
